## **Experience**

### **United States District Court for the District of Columbia**, Washington, DC

*Intern, Judge Amy Berman Jackson*

May 2017 – August 2017

### **Teach for America/Country Place Elementary School**, Phoenix AZ

*Mathematics Teacher, 8<sup>th</sup> Grade Team Lead*

June 2013 – May 2016

- Led weekly grade-level meetings, managed grade-level class schedules, and ensured compliance with numerous data reporting deadlines
- Led grade level of 92 students to exceed 2015 state average for newly adopted, more rigorous 8<sup>th</sup> grade Arizona math examination – one of only two other Country Place teachers out of twelve to achieve similar results
- Coached boys' basketball, baseball, football and soccer, winning the District Championship in Boys' Soccer (2014) and Boys' Baseball (2016), while instilling the values of teamwork, communication, motivation, and discipline

### **Office of Sen. John McCain**, Washington, DC

*Intern, Office of the Scheduler*

January 2013 – May 2013

- Organized and tracked incoming meeting and event invitations to facilitate an efficient scheduling process, developed skills in planning for both long-term and short-term needs
- Conducted research on gun control legislation and immigration reform proposals, prepared topic-specific briefing binders in conjunction with staff

### **Transition Resource Center**, George Mason University, Fairfax, VA

*Peer Program Coordinator – Recruitment & Selection*

October 2012 – March 2013

- Designed and executed comprehensive marketing strategy to augment visible exposure and brand recognition of the Peer Advisor program, resulting in over 25% more applicants
- Planned, coordinated, and implemented innovative interview system for applicants, gaining insight into HR techniques and strategies

### **Apple, Inc.**, Fairfax, VA

*Campus Representative, Education Sales*

January 2010 – December 2012

- Interacted with customers at fast-paced table-top events, answering questions about using Apple products in education to drive individual sales across Apple's product portfolio
- Planned and hosted trainings and workshops for customers about using Apple's hardware and software offerings

## **Interests**

Following the Arizona Cardinals and N.Y. Yankees; grilling delectable meals; tracking trends in consumer electronics
